INTUITIVE DEVELOPMENT SERIES FOR BEGINNERS

ROSWELL, GA (December 28, 2010) – The Open Mind Center, a holistic center in Roswell, Georgia offers many services to help people enhance their mind, body and spirit. As part of our class offerings for the upcoming year, we are pleased to offer an Intuitive Development Series, Beginner Level. This class was designed to help people become more aware of that ‘inner voice’ speaking to them. By learning how to first become aware of one’s own intuition and then trusting in that inner voice, the student will become able to develop intuitive abilities. Through enhanced intuitive ability, one can make decisions more easily, find creative solutions to problems and avoid difficult or dangerous situations. The classes will be taught through a balance of lecture, meditation techniques and individual and interactive lessons.

Two schedules are being offered:

Mondays, January 10, 2011 through March 14, 2011 from 6:30-9:30pm, and

Every other Saturday beginning January 15, 2011 from 10:00am-5:00pm
